# GOVERNMENT OF BOMBAY.

## GENERAL DEPARTMENT.

Resolution No. P. 52.

Bombay Castle, 4th May 1935.

Read reports from the Commissioner in Sind, the Commissioners, Northern Division, Central Division and Southern Division, on the administration of the Local Boards in their respective charges during the year 1933-34.

RESOLUTION.—*Number of Local Boards.*—Owing to the constitution of the District Local Board, Dadu, from 1st April 1933, the total number of district local boards increased from 27 to 28 and the number of taluka local boards decreased from 220 to 219 on account of the abolition of the Taluka Local Board, Manjhand, in consequence of the amalgamation of Mahal Manjhand with Taluka Kotri in the Karachi District.

2. *Area and Population.*—The changes in the figures of areas and population in statements I (*a*) and I (*b*), as compared with those of the preceding year, are due to the creation of District Local Board, Dadu, and to the rectification of errors by reference to the final Census Report of 1931.

3. *Constitution.*—There were changes in the constitution of local boards in Sind and they were due to the constitution of the District Local Board, Dadu, from 1st April 1933 and the abolition of the Taluka Local Board, Manjhand.

4. *Elections.*—No triennial elections were held during the year under report.

5. *Meetings.*—Six taluka local boards both in the Satara and in the Dharwar districts and one in the Ahmedabad District failed to hold the requisite number of quarterly general meetings as required by section 35 (*1*) of the Bombay Local Boards Act. Government however note with satisfaction that in general the attendance at the meetings improved, and the number of meetings held by several local boards during the year was greater.

6. *Income.*—The aggregate income of the boards (excluding opening balances and debt) increased from Rs. 1,83,96,135 to Rs. 1,88,34,962. The principal variations under the main sources of revenue are explained below :—

(*a*) *Local Rates.*—The receipts increased from Rs. 47,66,314 to Rs. 48,87,838. The increase occurred in Sind and the Southern Division. In Sind, the increase was mainly due to increased cultivation and enhanced assessment on account of the working of the Lloyd Barrage. In the Southern Division, the increase was due to the recovery of past arrears. In the other Divisions, the decrease was due partly to the fact that last year's figures included the arrears of the previous years, and partly to other causes.

(*b*) *Education.*—The receipts increased from Rs. 92,99,843 to Rs. 98,90,566. The increase was mainly due to the reduction of the cut in Government grants for primary education from 19¼ per cent. to 12 per cent.

(*c*) *Medical.*—The receipts increased from Rs. 2,91,349 to Rs. 3,04,506. The increase is mainly due to the levy of hospital and dispensary fees according to the revised Dispensary Rules.

(*d*) *Civil Works.*—The receipts decreased from Rs. 21,01,963 to Rs. 19,70,954. The decrease is due to smaller receipts from the sale proceeds of tolls, ferries and roadside trees.

7. *Expenditure.*—The aggregate expenditure of the local boards chargeable to current income increased from Rs. 1,75,63,670 to Rs. 1,81,45,353. The principal variations under the main heads are explained below :—

(*a*) *Administration.*—The expenditure increased from Rs. 7,45,983 to Rs. 7,60,014. The increase occurred in Sind and in the Northern and Southern Divisions, and was mainly due to payment of increments of local board establishments and greater expenditure on travelling allowance of local board members. The decrease in the Central Division was mainly due to the fact that in the previous year's report the figures of the educational establishment of the District Local Board, Sholapur, were shown under this head, whereas in the year under report they have been correctly shown under "Education".

(*b*) *Education.*—The expenditure increased from Rs. 1,08,33,171 to Rs. 1,14,89,248. The increase is attributed to (*i*) increased contributions to the school boards as a result of the partial restoration of the cut in the Government grants, (*ii*) increased expenditure on primary education on a voluntary basis, (*iii*) payment of arrears of dues to certain school boards and (*iv*) payment of salaries and other charges on account of teachers in non-local authority municipal schools now under the control of the District Local Board, Kaira.

(*c*) *Medical.*—The expenditure increased from Rs. 12,30,224 to Rs. 12,58,635, as district local boards in Sind and in the Central and the Southern Divisions had to spend larger amounts on account of epidemics.

(*d*) *Civil Works.*—The expenditure decreased from Rs. 39,63,078 to Rs. 38,64,510. Whilst almost all district local boards in the Northern Division incurred larger expenditure, the district local boards in the other Divisions and in Sind spent less than in the previous year owing to financial stringency.

8. *Closing balances.*—The aggregate balances of all the boards amounted to Rs. 60,30,314 as against Rs. 57,06,371. The closing balances of most of the district local boards were much in excess of the prescribed minima. The increases are attributed to the inclusion of the balances of taluka local boards and school boards and of special funds, and to non-completion of budgetted works.

9. *Primary Education—Sind.*—There are no special features in regard to the progress of primary education, except that four new girls' primary schools were opened in the Sukkur District and one in the Hyderabad District, and 13 schools were reopened by the District Local Board, Nawabshah. There was a steady increase in the number of pupils attending primary schools.

*Central Division.*—It is reported that the number of pupils in the schools increased in all the districts and that there was no trouble in any district in admitting children of the Depressed classes in the ordinary primary schools, nor was any disability imposed as regards their seating arrangements. The double shift system has been introduced in a few schools in the East Khandesh District. In Ahmednagar, the boarding houses attached to Central Schools are reported to have proved an excellent means of spreading literacy among boys belonging to the poor, Backward and Depressed classes. The Boy Scout and the Girl Guide movements are making good progress in the Satara and East Khandesh districts.

*Northern Division.*—The District Local Boards of Ahmedabad and Kaira took over control of primary education during the year under report. Consequently, several primary schools which were within the areas of municipalities came under the direct control of these District Local Boards. One school was opened in the Thana District for the boys of the Aboriginal and Hill Tribes.

*Southern Division.*—In the Belgaum District the pupils of the Depressed classes were freely admitted to the general schools. Government note with approbation the action of the Ratnagiri District School Board in temporarily closing certain schools till the villagers ultimately consented to the children of the Depressed classes being freely admitted in them. Eight and five new schools were opened respectively by the Kolaba and Ratnagiri District Local Boards.

10. *Medical and Public Health—Sind.*—The control of vaccination was transferred to the District Local Board, Larkana, from 1st August 1934. During the year two new dispensaries and five maternity homes were opened by the

District Local Board, Larkana. A maternity home was opened by the Red Cross Society at Thul in the Upper Sind Frontier District, and another by the District Local Board, Karachi, at Sujawal, called "The Margaret Gibson Women's Hospital and Maternity Home, Sujawal".

*Central Division.*—During the year under report there were epidemics of plague, cholera and small-pox in the Ahmednagar and Satara districts, plague and cholera in the Poona and Sholapur districts, cholera and small-pox in the Nasik District, cholera in the East and West Khandesh districts, and small-pox in the Bombay Suburban District. Prompt measures were taken in all the districts to combat these epidemics. In the Ahmednagar District anti-malarial work was done in the Akola Dangs, and a number of step-wells were converted into draw-wells, to prevent guinea worm which is prevalent in the district. In the Satara District the Board's experiment of starting 49 medical relief centres met with great success, and the Board sanctioned the opening of 56 new centres. The ultimate aim of the Board is to instal centres within a radius of 4 or 5 miles from one another. The entire control of vaccination was transferred by Government to the Satara District Local Board during the year under report. The District Local Board, Sholapur, has undertaken a scheme to provide medical relief in the rural areas by opening small dispensaries, which are placed in charge of private medical practitioners to whom subsidies are given. The Board aims at opening eventually such 22 new dispensaries, each for an area of 100 square miles at an annual cost of Rs. 1,000 for each centre.

*Northern Division.*—About 30 cases of Cerebro-Spinal fever were reported in the Ahmedabad District excluding Ahmedabad City and a special medical officer was appointed for combating the disease. Plague broke out in the Borsad Taluka of the Kaira District and Government placed the services of a medical officer at the disposal of the Board. The District Local Board, Thana, took measures to check the spread of epidemic diseases and appointed three medical officers to give relief to the people in malarious tracts.

*Southern Division.*—Plague appeared in the Belgaum, Bijapur, Dharwar and Ratnagiri districts, cholera affected certain parts of the Belgaum, Dharwar and Kolaba districts, and small-pox was prevalent also in the Ratnagiri and Kolaba districts. Prompt and adequate measures were taken by all the boards to combat the spread of these epidemics.

11. *Veterinary Dispensaries—Sind.*—A new veterinary dispensary was opened during the year by the District Local Board, Thar Parkar, at Islamkot. Side by side with the annual horse show, cattle and agricultural exhibitions were held at Jacobabad by the District Local Board, Upper Sind Frontier.

*Central Division.*—In the Satara District three dispensaries were opened. All the dispensaries are reported to be working satisfactorily.

*Northern Division.*— The District Local Board, Kaira, opened one new dispensary at Matar. There were 27 outbreaks of epizootic diseases in the Surat District, resulting in 178 deaths out of 485 attacks. The Board adopted necessary measures to check the prevalence of these diseases. All the dispensaries are reported to be working satisfactorily.

12. *Civil Works.*—The following table shows the Government grants paid to the boards and the amounts spent by them from the Government grants and their own funds on local public works :—

| Division. | Amount of Government grants. | Amount spent from the year's Government grants and unspent Government grants of previous years. | Amount spent from local fund. |
|---|---|---|---|
| | Rs. | Rs. | Rs. |
| Sind .. .. .. .. | 1,66,975 | 1,52,495 | 2,69,240 |
| Central Division .. .. .. .. | 2,77,484 | 2,77,484 | 3,08,109 |
| Northern Division .. .. .. .. | 1,74,105 | 1,74,965 | 3,63,251 |
| Southern Division .. .. .. .. | 1,70,595 | 1,51,016 | 3,32,983 |

*Sind.*—The District Local Board, Thar Parkar, spent a substantial portion of its income during the year on communications. The condition of the roads in the Nawabshah, Sukkur, Dadu and Hyderabad districts is stated to be not satisfactory. It is reported that the roads in the Hyderabad District are not likely to improve until the Board appoints a competent Engineer. Government bring this suggestion to the notice of the Board.

*Central Division.*—In addition to the usual share of the taluka local boards, the Ahmednagar District Local Board for the first time allotted under section 80-A of the Bombay Local Boards Act, 1923, to the Taluka Local Boards of Kopergaon, Sangamner and Rahuri Rs. 3,500, Rs. 500 and Rs. 2,500 from the cess on water rates for the improvement of roads in irrigated areas damaged by the percolation of canal water. Of the works which formerly had been transferred to the Poona District Local Board the management of the Vadgaon-Chakan and the Poona-Nasik roads was resumed by Government during the year under report.

*Northern Division.*—It has been suggested that in order to encourage bus traffic for the economic development of the rural areas which are not served by the railways, the District Local Board, Ahmedabad, would be well advised to initiate an organised programme of road construction and repairs. Government concur in the suggestion. Government regret to note that the condition of District Local Board roads in the Thana District is reported to be unsatisfactory.

*Southern Division.*—The Kanara District Local Board entirely abandoned the metalling of roads for want of funds, but on the other hand it undertook the construction of 20 miles of new roads to facilitate transport of agricultural produce from interior villages. It is questionable whether it is a sound policy to construct new roads at the sacrifice of those already existing.

13. *Village Water Supply.*—The following table shows the Government grants to the district local boards and the amounts spent by them from Government grants and their own funds for the improvement of village water supply :—

| Division. | Amount of Government grants. | Amount spent from Government grants and unspent Government grants of previous years. | Amount spent from local fund. |
|---|---|---|---|
| | Rs. | Rs. | Rs. |
| Sind .. .. .. .. | 13,850 | 15,034 | 13,466 |
| Central Division .. .. .. .. | 30,639 | 19,079 | 39,856 |
| Northern Division .. .. .. .. | 27,500 | 19,282 | 1,32,596 |
| Southern Division .. .. .. .. | 29,898 | 28,290 | 47,724 |

14. *Works Committees, Standing Committees, Budget Committees, etc.—Sind.*—The District Local Board, Hyderabad, appointed a Special Committee for hearing appeals from Pound Munshis against the orders of dismissal and punishment passed by the Chief Officer. The District Local Board, Dadu, appointed various sub-committees for the purpose of drafting rules under various sections of the Act, and all these committees are reported to have worked satisfactorily.

*Central Division.*—The Taluka Local Board, Nasik, failed to appoint a Standing Committee as required by section 36 (*1*) of the Bombay Local Boards Act.

*Northern Division.*—The District Local Board, Broach, appointed not less than seven additional committees. The District Local Board, Thana, appointed a village panchayat committee, a public works committee and a tolls committee, in addition to the Standing Committee.

*Southern Division.*—The Kanara and Kolaba District Local Boards entrusted the duty of inspection of their works to the Taluka Local Boards.

15. *Village Panchayats and Village Sanitary Committees—Sind.*—The number of Sanitary Committees increased from 217 to 219. In the year under report there were no village panchayats in Sind.

*Central Division.*—The total number of village panchayats in the Division increased from 129 to 144. Of the 15 new panchayats, eleven were started in the

West Khandesh District and four in the Satara District. The success of the Village Improvement Scheme in the Nasik District, however, has resulted in the establishment of a large number of new panchayats after the close of the year. The accounts of only one panchayat (Mirajgaon) were audited by the Ahmednagar District Local Board during the year under report, though under section 97 of the Bombay Local Boards Act the accounts of all the panchayats should have been audited during the year. In the Poona District serious irregularities in the accounts of the Mundhwa Village Panchayat were noticed during the year, and the ex-Secretary of the Bopodi Village Panchayat was found to have misappropriated certain amounts of house tax for which he was prosecuted.

The number of Sanitary Committees increased from 26 to 32, 6 new Sanitary Committees having been established in the Satara District during the year under report.

*Northern Division.*—The number of village panchayats decreased from 57 to 55 on account of the abolition of Village Panchayats at Gogho in the Ahmedabad District and Kanchad in the Thana District. Government regret to note that it is reoorted that in the Ahmedabad District the more prosperous and influential section of the population appears averse to the establishment of village panchayats and the agriculturists are unwilling to bear the burden of any new taxation. The working of the village panchayats in the Thana District is reported to have considerably improved on account of the keen interest taken by the Chairman of the Village Panchayat Committee of the Board. In the year under report no very great progress was made in the establishment of village panchayats, but the encouragement given by the Village Improvement Committees in this Division and the recently published rules under the Village Panchayats Act indicate that considerable improvement is likely in the future.

*Southern Division.*—The number of village panchayats decreased from 68 to 61. The Dharwar Board had to abolish 5 panchayats owing to lack of interest shown by the villagers.

16. *Audit of Accounts—Sind.*—The District Local Board, Hyderabad, dismissed and took steps to prosecute the Pound Munshi of Sanjar Chang, taluka Tando Allahyar, for misappropriating a sum of Rs. 24-14-0 from the cattle-pound receipts.

*Central Division.*—The accounts of almost all the boards were audited by the Examiner, Local Fund Accounts, during the year under report. Their audit reports show a general improvement in administration and in the system of maintaining accounts. Among the common defects pointed out were :—

(1) petty frauds committed by pound keepers and irregularities found in their accounts,

(2) non-production of completion certificates at the time of audit,

(3) not obtaining the previous sanction of the Collector for expenditure as required by section 50 (*o*) of the Bombay Local Boards Act,

(4) non-enforcement of the penalty clause in contract bonds for non-completion of works within the stipulated time by contractors,

(5) non-acceptance of the lowest tenders without assigning adequate reasons.

*Northern Division.*—The common irregularities revealed by audit were chiefly (1) negligence in recording measurements, (2) want of completion certificates, (3) irregular payments of travelling allowance without first obtaining sanction of the competent authority, (4) absence of, and deviation from, sanctioned estimates and budget provision of works under execution, (5) slackness of supervision, (6) buying materials in excess of requirements, and (7) late remittance of cattle-pound receipts.

*Southern Division.*—No serious irregularities were noticed in any of the boards. The Dharwar District Local Board, however, is reported to have shown indulgence to contractors at the expense of the tax-payers.

17. *General Remarks—Sind.*—During the year under report the local boards in Sind worked on the whole satisfactorily, but as usual the administration of the district local boards was far more satisfactory than that of the taluka

local boards. In accordance with the instructions of Government the District Local Boards of Karachi, Sukkur and Thar Parkar put up notice boards near all public dharamshalas, dispensaries and wells vesting in them, showing that they are for the use of all castes, including Depressed classes. The other district local boards in Sind did not take this action as they are of opinion that there is no need to do so, since the wells, dispensaries and dharamshalas are already open to all castes without distinction, and the problem of Depressed classes is non-existent in their areas.

The Chairman of a District School Board who was charged with misappropriating School Board money was convicted and sentenced to rigorous imprisonment for 3 years and a fine of Rs. 3,000, under sections 409, 120-B and 109 of the Indian Penal Code. The conviction and sentence was on appeal confirmed by the Judicial Commissioner's Court. He was further prosecuted, convicted and sentenced to 18 months' imprisonment and a fine of Rs. 1,000 for another offence under section 409 of the Indian Penal Code for misappropriating a sum of Rs. 1,500 collected as contributions for schools.

*Central Division.*—The administration of the local boards was on the whole satisfactory. It is suggested, however, that the District Local Board, East Khandesh, might usefully employ the funds which it has accumulated, for supporting and pushing on various activities for the improvement of villages and of the conditions of life of the villagers, such as digging more wells, providing greater medical relief, the purchase of road-making machinery, etc.

The Nasik District Local Board discovered an error in accounting by which an erroneous credit of Rs. 17,000 had for three years, annually, been shown on the receipts side of the budget and the accounts, and as a consequence the Board had overspent its funds by some Rs. 51,000. The District Local Board showed admirable courage in imposing an extra three pies cess and a Trades and Profession tax to deal with the deficit and balance its budget. As the District Local Board, Nasik, cannot immediately realise the extra revenue from these sources, Government permitted the Board, as a special case, to draw the whole amount of Rs. 20,920 allotted to it by the Commissioner as road grant for the year 1934–35 in a lump sum at once, instead of by quarterly instalments as usual. The Director of Public Instruction also sanctioned in advance, the payment to the Board of a further grant of Rs. 60,000 out of the balance due to the Board. The Satara District Local Board deserves great credit for actively pushing on the Village Improvement Scheme and for its whole-hearted co-operation with Government officers in promoting the welfare of villagers. Government note with approval that the working of the Sholapur District Local Board has been distinguished by public spirit and progressive policy. The financial position of the Poona District Local Board has been far from satisfactory and it is creditable that the Board is making efforts to improve its financial position by the levy of the Trades and Profession tax. Almost all local boards in the Central Division have erected notice boards near public wells, dharamshallas and dispensaries, and those which have not done so are taking steps to give effect to the orders of Government during the current year.

*Northern Division.*—There are no features requiring special comment for the year under report. Government are glad to note that the spirit of non-co-operation which was shown by some of the boards in the earlier stages of the Civil Disobedience movement has now practically disappeared and during the year the administration has been conducted satisfactorily. Unfortunately, with limited resources and unwillingness to impose fresh taxation, the boards were unable to meet the growing needs of the rural areas. On the occasion of heavy floods in the Dhadhar and Narbudda rivers in the Broach District in August and September 1933, the District Local Board sent boats and boatmen to coastal villages to rescue the distressed people in the affected areas, and fortunately loss of human life was avoided. Government note with approbation that the President, Vice-President and members of the Surat District Local Board continued as a measure of retrenchment to surrender their travelling allowance for journeys to attend the District Local Board meetings and works. Their example was largely followed by the presidents and members of taluka local boards. Notice boards were put up by several local boards on wells declaring their use open to the Depressed

classes. None of the district local boards in the Northern Division as yet levy the Trades and Profession tax, though the District Local Boards of Broach and the Panch Mahals have framed rules and invited public objections, before levying the tax.

*Southern Division.*—The administration of the local boards was on the whole satisfactory. Their relations with Government officers continued to be good. There is a general demand from the boards for increased grants from Government for the improvements of communications and the expansion of primary education, but Government have in these times of stringency to advise them that they must depend mainly on their own resources. The District Local Board, Bijapur, is to be commended for setting apart the extra local fund cess recovered by it for the expansion of primary education, and it is suggested that a similar step might be taken by the District Local Boards of Belgaum and Dharwar, which also levy the cess at an enhanced rate. Government are glad to learn that more schools are being thrown open to the Depressed classes, thus rendering the maintenance of special schools and classes for them unnecessary. While the District Local Board, Dharwar, has levied the Trades and Profession tax, the District Local Boards of Belgaum, Ratnagiri and Kolaba have definitely declined to introduce this tax. The District Local Boards of Kanara and Bijapur are still considering the matter. It is gratifying to note that the boards have done their best to combat the spread of epidemics. The use of cyano-gas for the extermination of rats, now being experimented upon in the Bijapur City, appears likely to be worth a trial by the local boards in areas liable to plague. But measures of this kind cannot be undertaken without an adequate and trained staff under a permanent Health Officer. Only the District Local Board, Dharwar, has appointed a qualified Health Officer, and other district local boards, which suffer from epidemics, are advised seriously to consider the advisability of appointing permanent Health Officers.

18. *General Review.*—The most important event of the year under report was the holding of Patils' Darbars in each of the three Divisions by His Excellency the Governor Sir Frederick Sykes, viz. at Surat, Ahmednagar and Belgaum, at which the Village Improvement Scheme was formally inaugurated. Government are very glad to learn that the scheme is making progress, especially in the Central Division. It is expected that the scheme will result in the establishment and growth of efficient village panchayats in all the larger villages. It may be mentioned that after the close of the year under report the requisite rules under section 108 (*1*) of the Bombay Village Panchayats Act have been sanctioned, and for aiding and fostering the growth of village panchayats Government obtained a supplementary grant of Rs. 10,600 during the year 1934–35, which they placed at the disposal of the Commissioners of Divisions. For the year 1935–36 a provision of Rs. 22,000 has been made for this purpose. Government are glad to place on record that the administration of the district local boards in general continued to be satisfactory during the year and that some boards have sanctioned the levy of a Trades and Profession tax and others are seriously considering it. The audit reports show a general improvement in the administration, and in the system of maintaining accounts. Though some boards continue to request extra grants from Government, it is clear that the boards, in general, appreciate the present financial position and realize that for the discharge of their duty to provide education, communications, medical help, etc., they must in future depend more on their own resources and less on subventions from provincial funds.

19. Government note with satisfaction the testimony given by the Commissioners and the Collectors to the excellent work done by several Presidents, Vice-Presidents and Officers of the District Local Boards.

20. Copies of the Resolution should be forwarded to the Secretary of State and the Government of India and to all the Commissioners, Collectors, the Director of Public Instruction and other officers and Departments concerned.
